EASTERN MEDICAL FACILITIES EXPANDED

VLADIVOSTOK HOSPITAL ENLARCED -- Krasnoye Znamya, No 119, 22 May 49

The Frimorally Kray Hospital in Victivostok has been given part of a 4-story building on Shevchenko Street into which the hospital office and several swiliary divisions will be transferred. The space which they now occupy will be used to house a new division of the hospital to be opened in Juns. A second city children's hospital with 150 beds, 12 times larger than the hospital on Kitayakaya Street, will be organized in the building on Papanin Street. The children's hospital on Cape Churkin will be expanded at the same time.

NOVOSIBIRSK COMBATS MAIARIA -- Sovetskaya Sibir', No 93, 13 May 49

The Antimalaria Station, Novosibirsk Chlast, will carry out antimalarial appraying by airplane from 20 May to 1 September 1949 in the Ob' River valley from Berdsk to Kolyvan'. Throughout the period, the station recommends that inhabitants take precautions in swimming in pools in the river valley, in watering domestic animals, and in turning animals and birds loose in the area. Apiaries will be: moved 7 - 10 kilometers from the valley borders. For information, apply: Oblast Antimalaria Station, Central Polyclinic, 42 Serebrentkovskaya Street, Movosibirsk, and at local antimalaria stations.
